

Dear Valued Customer,

Announcement of Capital and Business Partnership of Craftz Co., Ltd

On behalf of Craftz Co., Ltd, we are pleased to announce that Craftz Co., Ltd executed Capital and Business Partnership with Nippon Sangyo Suishin Kiko Group (“NSSK”; www.nsskjapan.com/) on 23rd, June, 2022.

In spite of the Capital and Business Partnership with NSSK this time, we announce that Craftz Co., Ltd does not change the company management/ operational structure, our corporate/ business description and our company name. We mean that we continue our business under the present organization and system.

Craftz Co., Ltd, which was established in 1933, is a global-standard flexible converter and has provided flexible packaging mainly for food, confectionary, beverages and dairy. In addition, currently we have variously supplied the packaging for petfood, sanitary as well as beverage containers. Moreover we established the factory in Thailand in 2013 and have steady expanded our business both in Japan and Thailand as the Craftz Group.

Under the expectation of continuing solid growth for flexible packaging business even in the future, both in domestic and international networks, we surly would like to achieve further growth in our next stage with the support of NSSK who has extensive experience and achievement for support of Corporate Management as well as by utilizing the Craftz Group’s robust business platforms which has been established for long years.

We kindly ask for your continued and increased support and considerations

Sincerely yours,

Tsukasa Tanaka
Representative Director and CEO of Craftz Group
